The Ideal Church Record.

INTRODUCTION.

In preparing this Record for the Church the publishing Agents have kept in mind three things.

1st. COMPLETENESS. We have studied to embody in the book whatever will make the Record of value in every point, and for all time, and yet to omit whatever seemed to us superfluous, or of questionable value.

2d. SIMPLICITY. We have sought to make a book that does not require pages of explanatory matter, or a knowledge of the principles of book-keeping; a book which the ordinary pastor, busy with multiplied cares and duties, can use at any hour, and which, when its pages are referred to, shall at once, and in the simplest manner, give the information desired.

3d. CHEAPNESS. A book of this character which is to carry across many generations, records of incalculable value, should have the best material and workmanship available. We have not allowed our desire to produce a cheap book to tempt us into the folly of making a poor book. But we have had in mind continually the fact that many circuits and frontier charges are without a suitable record, because the price of such has seemed beyond their means.

Studying simplicity of arrangement, economy in production, and the careful gradation of sizes, we think we have secured a series of Records, some one of which, will be adapted to, and obtainable by, every charge in Methodism.

With this explanation we send forth the "Ideal," trusting that it may aid the Church in keeping the admonition of the Apostle, "*Let all things be done decently and in order.*"

2003 Longwood St.
Baltimore. Md. Aug 21/27

Rev. L. J. Jacobs-

Dear Friend:-

I received your card today
and though I do not know
you, I am always glad to hear
from Hartford City.

I am surprised that my
name + Helen's name are still
on your Church roll. We
moved from Hartford City in
Sept. 1916 to Belle Vernon, Pa.,
and in a few months after,
the pastor of the M. E. Church
at Belle Vernon - wrote for
our letters, and we joined
the Church there. Then in
1919 we came to Balto. to live
and our Church letters were
forwarded here, and we
have been members of Walbrook
M. E. Church since Dec. 1919.

Helen is married now, and
belongs to Walbrook Church, Md.

Other daughter - Mrs. B. V. Clark
stayed at Hartford City, and belongs
to your Church, until about
three years ago when she moved
to Marion, Indiana.

I enjoyed Grace Church very much
when I lived in H. C. I am
glad to know you will soon
have a new building, and
my earnest prayer is that
God will bless you + your
people in every effort you put
forth for the up-building of
His Kingdom.

I have many friends in Grace
Church, and shall always
feel an interest there.

Sincerely

Mrs. Cora L. Moffatt

Minneapolis Ind.

9/16. 1927.

Mr. L. E. Jacobs.

Dear Sir

Your letter at hand in
regard Russell and Ralph
Pepples. Membership at
Grider Church. They were
small boys when taken in
their both have grown to
manhood and are married
Russell. Living in Milwaukee
Ralph in Minneapolis They did
not think you still retained
their memberships. and their
wives being of a different
denomination but same faith
they have gone with them

so I would suggest you just
drop their names from
the Record.

Respectfully

Lila Grider.
